

# Biff, Chip and Kipper Stories

Oxford Level 4 Stories

# The New House

Teaching Notes Author: Thelma Page

### Comprehension strategies

 Comprehension strategies are taught throughout the Teaching Notes to enable pupils to understand what they are reading in books that they can read independently. In these Teaching Notes the following strategies are taught:

Prediction, Questioning, Clarifying, Summarising, Imagining

#### Decodable words

box, came, helped, job, man, things, too, van

#### **Tricky words**

children, everyone, go-kart, goodbye, house, new, put, toys, what

C = Language comprehension

w = Word recognition

# Group or guided reading

### Introducing the book

- (Questioning) Ask: Do you remember what happened in the last story? Read the title of this book, look at the cover illustration and talk about what the family is doing.
- **(***Prediction***)** Ask: What do you think will happen in this story? Look at some of the pictures to see if the children are right.
- (Clarifying) Ask: What do you have to take with you when you move house? Is it an easy job?

### Strategy check

Remind the children to use letter sounds to help them to work out new words.

## Independent reading

- Ask the children to read the story aloud. Praise and encourage them while they read, and prompt as necessary.
- **C** (Summarising) Ask the children to say what they think was the most difficult thing to move into the new house.

### Assessment Check that children:

- recognise automatically familiar high frequency words
- apply phonic knowledge and skills as the prime approach to reading
- identify main events and characters in stories
- use syntax and context when reading for meaning.

## Returning to the text

- (Questioning) Ask: How did they get everything to the new house? Who helped the family to move?
- (Questioning) Ask: Who put the go-kart in the van? What did Kipper put in?
- (Questioning) Ask: Why did Biff and Chip say 'Oh no!' on page 15?
- (Summarising) Ask: What happened at the end of the story?

# Group and independent reading activities

**Objective** Identify the main events in stories.

(Summarising) Ask the children to think of a sentence that explains what happens at the beginning of the story. Then ask them to think of two more sentences to explain what happened in the middle and at the end of the story. Write the three sentences and then read them together.

Assessment Could the children summarise the story in three sentences?

**Objective** Find specific information in simple texts.

(Questioning) Ask the children to scan the text to find the names of three things that went into the van. Ask them to find the three items in the illustrations. Ask them to draw the items and write sentences to say who put them in the van.

**Assessment** Could the children find the words in the text? Could they use the text to write a sentence about each item?

**Objective** Spell new words using phonics as the prime approach.

Ask the children to look at pages 4 and 5 and name the items they can see. Ask them to choose four items, draw them, then try to spell the words. Remind them to use letter sounds to work out how to spell the words. Praise children for getting letter sounds correct in their spellings.

Assessment Could the children use phonics to work out how to spell the words?

**Objective** Make predictions showing an understanding of ideas, events and characters.

(Prediction) Ask the children to say what they think will happen next. If you were living in that house, what would you want to do first? What might the next story book be about?

Assessment Did the children understand the story well enough to make relevant suggestions?

# Speaking, listening and drama activities

**Objective** Ask and answer questions, taking turns.

(Questioning) Ask: Why were they all putting things in the van? Choose one child to answer, then give that child the book and ask him or her to open the book and think of a question to ask the class. The child who answers correctly is given the book and uses any page to ask the next question. The children continue taking turns in this way. Praise children for inventing relevant questions and praise the others for answering them well.

# Writing activities

**Objective** Use key features of narrative in their own writing. Use capital letters and full stops when punctuating simple sentences.

- (Imagining) Ask the children to imagine what Kipper is feeling on pages 8 and 16. How would you feel if you saw everything from your house being put into a van? Would you be excited, or would you be a bit worried? What are the most important things for Kipper to take to the new house?
- Ask the children to tell you the two most important things they would make sure they took to a new house.

 Ask them to draw the things and write a sentence. Remind them to begin the sentence with a capital letter and finish with a full stop.

**Assessment** Can the children write a relevant sentence? Did they use a capital letter and a full stop?
