Vocabulary and Grammar

1. Use the teacher cards to introduce the vocabulary items.
2. Students open their books and complete the A: Learn the words section.
3. Show the same teacher cards again and teach the sentence structure.
4. The teacher asks a question, students use the sentence structure to answer.
5. Teach students the question form.
6. The students ask the question and the teacher answers.

Vocabulary and Grammar

7. Divide the class into groups A and B. Group A ask the question and group B answer. Change roles and repeat.
8. Students open their books and complete the B: Ask and answer section.
9. Students make pairs and ask and answer questions about the illustrations.

Songs and Chants

1. Use iTools to show the relevant page from the student's book. Students look at the illustrations and call out words and phrases they know.
2. Students open their books, listen to the audio and point to the illustrations.
3. Students practice the song by repeating after the teacher and using gestures.
4. Play the audio again. This time the whole class sings together.
5. Divide the class into groups, assign a line from the song to each group and sing again.
