The Oxford Companion to Wine 5th edition

The Oxford Companion to Wine is a uniquely comprehensive and in-depth A–Z reference book on every aspect of wine: more than 4,000 entries covering topics from history through geography, geology, soil science, viticulture, winemaking, packaging, academia, technology, and regulations to people and places, tasting, writing, and the language of wine.

- Over 285,000 copies sold in previous editions
- Explains in accessible terms information on wine and winemaking that was previously available only in academic and professional publications.
