Very Short Introductions

Oxford's **Very Short Introductions** series offers concise and original introductions to a wide range of subjects. Each volume provides an authoritative and engaging assessment of a concept, field, or body of work, drawing out the central ideas, themes, and approaches. Our expert authors combine facts, analysis, new insights, and enthusiasm to make often challenging topics highly readable to develop your core knowledge. With over 750 titles and many more in development, as well as regularly updated new editions, the series is constantly evolving to reflect a contemporary readership. Whatever your area of study, whatever the topic that fascinates you, the series is an indispensable and accessible guide that will enrich your understanding.
